

I fully believe that K-Love radio is an invaluable service to my community. I benefit greatly from their broadcast as do many of my neighbors. It would be tragic for them to be taken off the air. I am a long time financial supporter of K-Love radio and that says something. If they have managed to stay on the air by relying entirely on listener donations, then it should be obvious that they are having a positive impact on the communities in which they broadcast. Please don't take K-Love off the air!
